An _______________ is a reference to another work or event

____________________ is giving human traits to non-living things

**Quotations:** In the blanks, write the name of the character who said the following lines.

Alas, my liege, my wife is dead to-night;  
Grief of my son's exile hath stopp'd her breath:  
What further woe conspires against mine age?  

I will be deaf to pleading and excuses;  
Nor tears nor prayers shall purchase out abuses:  
Therefore use none: let Romeo hence in haste,  
Else, when he's found, that hour is his last.

Go thither; and, with unattained eye,  
Compare her face with some that I shall show,  
And I will make thee think thy swan a crow.

But, soft! what light through yonder window breaks?  
It is the east, and Juliet is the sun.

I saw her laid low in her kindred's vault,  
And presently took post to tell it you:  
O, pardon me for bringing these ill news,  
Since you did leave it for my office, sir.

Help me into some house, Benvolio,  
Or I shall faint. A plague o' both your houses!  
They have made worms' meat of me: I have it,  
And soundly too: your houses!

Thursday is near; lay hand on heart, advise:  
An you be mine, I'll give you to my friend;  
And you be not, hang, beg, starve, die in the streets,

Put this in any liquid thing you will,  
And drink it off; and, if you had the strength
Of twenty men, it would dispatch you straight.

Therefore love moderately; long love doth so;
Too swift arrives as tardy as too slow.

This is that banish'd haughty Montague,
That murder'd my love's cousin, with which grief,
It is supposed, the fair creature died;
And here is come to do some villainous shame
To the dead bodies: I will apprehend him.

What's in a name? that which we call a rose
By any other name would smell as sweet;
So Romeo would, were he not Romeo call'd,
Retain that dear perfection which he owes
Without that title.

Two households, both alike in dignity,
In fair Verona, where we lay our scene,
From ancient grudge break to new mutiny,
Where civil blood makes civil hands unclean.

Marry, my child, early next Thursday morn,
The gallant, young and noble gentleman,
The County Paris, at Saint Peter's Church,
Shall happily make thee there a joyful bride.

What, drawn, and talk of peace! I hate the word,
As I hate hell, all Montagues, and thee:
Have at thee, coward!

Your love says, like an honest gentleman, and a
courteous, and a kind, and a handsome, and, I
warrant, a virtuous,—Where is your mother?

**General Knowledge**

How do the Capulets and Montagues compare in social status?

Who raised Juliet from birth?

How does Juliet feel about Paris?

How do Romeo and his friends get the guest list for Capulet's party?
How does Capulet respond to having Romeo and his friends at his party?

Romeo and Juliet experience “____________________ at first ________________.”

Juliet is only ____________________ years old.

Do Romeo and Juliet ever discover that they are from feuding families?

Do Mercutio and Benvolio know of Romeo’s love for Juliet?

Did Romeo and Juliet stay in love?
